## Who are we?

We are a faith-based independent private voluntary organization affiliated to Faith Ministries Zimbabwe. Our primary focus is social responsibility and developing communities in Zimbabwe. We seek to rebuild lives by training, economic empowerment, fighting and mitigating extreme poverty. Working through churches, community organizations and the Zimbabwe Government Ministry of Social Welfare, we seek to improve the quality of life of orphans, vulnerable children, widows and adults living in extreme poverty.

## Our Mission

Demonstrating God's love by engaging communities in a sustainable and holistic manner in order to improve the quality of life.

## Our Vision

Transformed communities with enhanced livelihoods

## Strategic Areas of Focus

1. **Orphans and Vulnerable children, elderly, widows and church compassion** – Working with the government of Zimbabwe to support the vulnerable by providing shelter (orphanages and old people homes), food and necessities for sustenance

2. **Medical Missions** use innovative ways of supporting both FM members and members of communities to access medical care in fulfilment of Jesus' mandate to provide care to the sick.
3. **Prisons Ministry**- Ministering to the incarcerated by providing basic needs, visitation, counselling and supporting rehabilitation and re-entry into communities
4. **Projects Training and Poverty alleviation**: Training in such areas as crop and animal farming, informal and formal trades for sustainability
5. **Social Welfare Emergency and Disaster Relief**: Resource mobilization for supporting and rehabilitation of affected communities
